WHEN YOU HAVE NOWHERE TO GO

When there`s trouble at home ...

When your job and school sucks ...

When you´re tired of living ...

When everything seems hopeless ...

IN COUNSELING...

... we give you a nonstressful environment where you can talk about everything and we will keep it confidential!

... we know people who can help you!

... you can get information about your legal rights!

... together we will think of ways to go on!

... if necessary, you can find shelter and temporary accomodation at the KIZ.

... if you wish, we can mediate between you and your parents or other people you have problems with.

SOMEONE IS ALWAYS THERE FOR YOU...

... here at the KIZ
